Your Wonderful Vacation Itinerary:

Day 1 Depart this morning for the Finger Lakes. On the way, enjoy a photo stop at the Scenic Taughannock Falls, one of the highest east of the Rocky Mountains. We will stop at a local winery for a tasting before checking into the Holiday Inn Auburn, our home for the next 3 nights. Dinner will be at a local restaurant (D)

Day 2 After a full American breakfast at the hotel, we will visit the Willard Memorial Chapel. Built in 1892 - 1894, the interior of the Chapel was designed and handcrafted entirely by Tiffany Glass and Decorating Company of New York City and is the only complete and unaltered Tiffany designed religious interior known to exist in the world. Next we visit the Ward O'Hara agricultural museum. Author of 15 books and a columnist for the local newspaper, Ward began collecting farm equipment in the mid-1900's. When his collection grew beyond his ability to house it all, he approached the Cayuga county Legislature for permission to make the 4H pavilion at Emerson Park a County Museum, which they did in 1975. Enjoy lunch (on own) in Skaneateles, a quaint and charming little town where shops, galleries and restaurants are housed in restored buildings dating back to 1796. After lunch we will have tasting at a local winery before embarking on our dinner cruise on the Erie Canal. (B, D)

Willard Memorial Chapel

Day 3 After a full American breakfast at the hotel, we will visit the George Eastman House and Gardens.

Designed by J. Foster Warner and built between 1902 and 1905, George Eastman House is a National Historic Landmark. The estate originally included a stable, garage, barn, five greenhouses and many vegetable and flower gardens on eight and one-half acres. After lunch (on own) we will travel to Sonnenberg Gardens, one of the few remaining estates in the U.S. with a Queen Anne-style mansion and formal gardens. Built in 1887, Sonnenberg's 40-room Mansion offers visitors a glimpse of what life was like in the late nineteenth century. The estate boasts nine formal gardens representing many cultures and historic periods including 12th-century Asia, 4th-century Rome and the French Renaissance. In keeping with the elegant theme of the day, dinner tonight will be at Belhurst Castle. Listed on the National Register of Historic Places, Belhurst Castle combines the romance of the past with the comforts of the present in an elegant, yet relaxed atmosphere. Rich woodwork, mosaic-tiled fireplaces and beamed cathedral ceilings set the stage for a truly unique dining experience. (B, D)

Sonnenberg Mansion

Day 4 After a full American breakfast at the hotel, we depart Auburn and head to Cooperstown, home of the National Baseball Hall of Fame. Program offerings may include: a virtual tour of ballparks past and present in an interactive journey across America, stories behind the artifacts told by staff members, the science of the sandlot - why the sweet spot of a bat is so sweet, why the ball travels farther at Coors' Field or why a curveball curves. Test your knowledge of baseball history and learn the secrets behind a successful ballpark vendor. If you're not a baseball fan, you can substitute a visit to the Fenimore Art Museum which contains American folk art and an extensive collection of American Indian art and artifacts. Lunch at the Otesaga Resort, a member of the prestigious Historic Hotels of America. The Otesaga is reminiscent of a more genteel era when a gracious welcome was the standard. After lunch, we head home with wonderful memories of our time in the Finger Lakes and Cooperstown. (B, L)
